3:00 P.M.**

**\*\*\*By Video Conference Only\*\*\***

On September 16, 2021, the Governor signed AB 361, which amended certain provisions of the Ralph M. Brown Act (Brown Act) in order to allow for local legislative bodies to conduct their meetings remotely via telephonically or by other electronic means under specified circumstances. Thus, pursuant to Government Code section 54953(e), the Historic Resources Advisory Committee meeting will be conducted via remote conferencing.

Written public comments may be emailed to the HRAB Liaison at [kkelley@smcgov.org](mailto:kkelley@smcgov.org) and should include the specific agenda item on which you are commenting, or note that your comment concerns an item that is not on the agenda. The length of the emailed comment should be commensurate with the five minutes customarily allowed for verbal comments, which is approximately 250-300 words. If your emailed comment is received at least 24 hours prior to the meeting, it will be made publicly available on the Historic Resources Advisory Board (HRAB) website along with the agenda. To ensure your comment is received and read to the HRAB for the appropriate agenda item, please submit your email no less than 30 minutes prior to the meeting time. The County cannot guarantee that emails received less than 30 minutes before the meeting will be read during the meeting, but such emails will still be included in the administrative record of the meeting and will be provided to the HRAB after the meeting.
