

PROBATION DEPARTMENT COUNTY OF SAN MATEO

Quarterly Post-Release Community and Mandatory Supervision Update July – September 2024: 44 New Supervisees

*since realignment began in October 2011, there have been 3,170 supervisees.

FY 2024-2025 First Quarter Highlights	
<ul style="list-style-type: none"> 44 new supervisees 33 new PRCS supervisees; 11 new MS supervisees 39% of new supervisees live out of county 16% of new supervisees were transient 	<ul style="list-style-type: none"> 54 revocations were filed 39% of violations were technical violations 68% of terminations were successful

PRCS and MS Released to SMC Supervision

Age

Gender

Race

PRCS			
Daly City	2	Redwood City	2
East Palo Alto	3	San Carlos	1
Half Moon Bay	1	San Mateo	3
Millbrae	1	South San Francisco	3
Pacifica	1		
Transient	5	Out of County	11
Total Supervisees	33		

MS			
Redwood City	1	South San Francisco	2
Transient	2	Out of County	6
Total Supervisees	11		

Terminations, Revocations and Flashes

There were twenty-two (22) terminations during the reporting period. Sixty-eight percent (68%) were successful.

Total # of Supervisees Successfully Terminated		Total # of Supervisees Unsuccessfully Terminated	
PRCS – 10	MS – 5	PRCS – 2	MS – 5
<ul style="list-style-type: none"> • Early Terminations: 4 • Normal Terminations: 6 			

In the reporting period, we filed a total of fifty-four (54) revocations, with PRCS having forty-eight (48) and MS having six (6) revocations. Of the fifty-four (54) revocations, there were thirty-three (33) New Law Violations. The breakdown by violation category is below:

Violation Type	PRCS	MS	% of Q1 Revocations
Violent Felonies per PC § 667.5(c)	0	0	0%
Serious Felonies per PC § 1192.7(c)	3	0	5%
Other Crimes	28	2	56%
Technical Violations	17	4	39%
Total	48	6	100%

Generally, the population is reoffending by committing crimes similar to those for which they are on Realignment, namely non-serious, non-violent, non-serious sex related crimes.

Thirty-nine percent (39%) of revocations were for technical violations. Technical violations of supervision are filed when supervisees abscond or fail to abstain from substance use. It is important to note that the Probation Department usually files formal revocations after lower sanctions have been attempted, including flash incarcerations for PRCS cases. However, at times, officers may decide that a formal revocation is more appropriate than utilizing lower sanctions, depending on the circumstances of the violation. Sixty-one percent (61%) of revocations filed were for new law violations involving crimes against persons, property, drug/alcohol related crimes as well as other crimes. Of the thirty-three (33) New Law Violations, seventeen (17) were misdemeanors and sixteen (16) were felonies.

There were seven (7) **flash incarcerations** during this reporting period.

Two (2) cases were **transferred** to another county for supervision.

Recidivism Definition

San Mateo County: Arrest and/or Charges Filed within 3 years of Last Incarceration in San Mateo County, including warrant arrests, PTA/Court Sentence but **excludes** PRCS flash incarcerations/Revocation, 647/849B1 (no charges filed) or dropped charges.

Attorney General: An arrest resulting in a charge within three years of an individual's release from incarceration or placement on supervision for a previous criminal conviction.

BSCC: A conviction of a new felony or misdemeanor committed within three years of release from custody or committed within three years of placement on supervision for a previous criminal conviction.

REALIGNMENT BULLETIN CY2024 Q3: JULY—SEPTEMBER

Executive Summary:

Offenses committed by the supervised and in-custody realignment populations in San Mateo County during July through September (Q3) continue to show that this population primarily commits property crime offenses, including vehicle theft and drugs and alcohol offenses. However, we also see larceny, burglary, weapons, and evading/resisting arrest in the top categories.

Overview:

During Q3, Vehicle Theft (17%), Drugs & Alcohol (10%), Larceny (10%), Burglary (10%), Weapons (10%), and Evading/Resisting arrest (10%) were the top committing offenses for the realignment population (this includes the new supervised cases and in-custody realignment offenders). Please note, "miscellaneous" refers to a number of assorted offenses that do not amount to any one category. These offenses include but are not limited to: assault, stalking, battery against transportation personnel and gassing in a detention facility.

The data used for this analysis was derived from information provided by the San Mateo County Probation Department and the SMCSO Corrections Division.

AB109: San Mateo County

Note: This data was obtained from different sources (Probation and Corrections) and may overlap slightly. However, the preceding analysis provides a general picture of the San Mateo County realignment population.

AB109 In-Custody Statistics

PC1170(h) New Sentenced Cases	Q3 2024	Q2 2024	Q1 2024
Number of new PC1170(h) cases	40	47	47
Total PC1170(h) Days to Serve	21,060	18,609	24,505
Number of Split Sentences	11	15	14
Number of Straight Sentences	27	32	33
Average Length of Stay (ALOS) all cases (after credits applied)	149	148	150
Average Length of Stay (ALOS) Split Sentences (after credits applied)	140	99	67
Average Length of Stay (ALOS) Straight Sentences (after credits applied)	165	178	175

Demographics of the Newly Sentenced PC1170(h) during Q3 CY2024:

Gender:
 Male = 82% (33)
 Female = 18% (7)

Average Age:
 37 years old

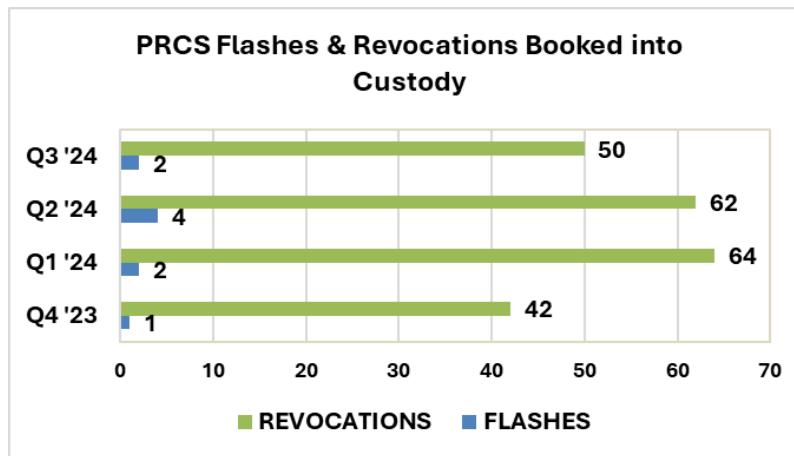

Residency:
 19 - Out of County
 14 - In County
 7 - Transient/Unknown

Mandatory Supervision Revocation

(MSV): Offenders in this population were re-arrested after being released from a PC1170(h) split sentence. Some of these offenders were ordered to serve the remainder of their original sentence and supervision was revoked; others were ordered to serve a portion of their original sentence and were reinstated on mandatory supervision.

MSV Revocation Cases	Q3 2024	Q2 2024	Q1 2024
Number of MSV Cases	8	2	5
Total MSV Days to Serve	761	343	1,943
Average Length of Stay	100	77	52

Average Length of Stay	47	37	50

San Mateo County: In Custody (cont'd)

AB109 In-Custody on the Last Day of the Quarter:

On the last day of the quarter (September 30, 2024), the total AB109 in-custody population was 9.57% (93) of the overall average daily population (972), a slight decrease from the prior quarter 9.87% (102) with an ADP of 1,033.

During Q3 CY2024, burglary, vehicle theft, and grand theft comprised the top new charges committed by the in-custody population. Please note that the category “Other Property Crimes” refers to offenses such as elder theft, receiving stolen property, embezzlement, forgery, and larceny. “Miscellaneous” refers to a number of assorted offenses that do not amount to any one category. These offenses include but are not limited to: evading, false imprisonment, stalking, and arson.

Service Connect BHRS Dashboard

FISCAL YEAR 2023-24 FOURTH QUARTER
SUMMARY REPORT NARRATIVE

SAN MATEO COUNTY HEALTH

**BEHAVIORAL HEALTH
& RECOVERY SERVICES**

Please Note: The BHRS Service Connect Dashboard is presented one quarter in arrears to present accurate data because submission deadlines are too soon after the quarter close.

AT-A-GLANCE: All Time Total BHRS Referred, Served, Number of Services, or Booking Encounter

The total number of participants referred to BHRS for treatment since July 1, 2017, is 3,293 (increase of 24 during Q4) and of these, 1,935 (increase of 18 during Q2) entered treatment and/or recovery plans (participants served by BHRS and is a lower number because not all assessments result in treatment). Referred is defined as participants showing up for the first post-referral appointment and does not include those referred, but who did not follow through on the referral. This also represents the total number of services, 27,510 (both mental health and substance use treatment) provided to participants since the inception of the program.

Open Service Connect Cases with a Service

This graph represents total Service Connect participants that received at least one BHRS service. The numbers do include participants that continued from quarter to quarter, so a participant could be counted more than once in each quarter if their case was open across multiple fiscal quarters. The Q4 count is 115, which is down since last quarter but consistent with the quantity of Service Connect clients who typically receive services in a quarter.

Engaged Participants with Four or More Services in a Year

“Engaged” is defined as a participant receiving four or more services, meaning the participant has returned to BHRS for multiple appointments for different services, demonstrating the participant is engaged because they actively participate. Engagement is up ten percentage points over last quarter, reversing the declining engagement that was seen in the two quarters prior.

Percent of Participants with Substance Abuse Recovery Plan or a Mental Health Treatment Plan

This graph presents the percentage of participants who had a mental health treatment plan or a substance abuse recovery plan. Recovery plans are typically at a rate of two to one as compared to a mental health treatment plan. However, this quarter AOD treatment plans continue to be high, which represents a significant trend.

Living Situation Upon Program Admission and Discharge

This graph shows the living situations of participants at the time the participant was admitted to the program and then the living situation when discharged from the program. The purpose of

this measure is to monitor the service impact on improvement of the living situation of the participant. Q4 shows upon admission 17 participants were unhoused, but upon discharge from Service Connect that 16 participants in this reporting period were homeless upon discharge, which is very discouraging.

Total Individuals Referred to Service Connect and Total Admitted for Services

Not all individuals referred to the program meet the assessment criteria for admission to the program, so this graph measures the difference between the number of persons referred and the number that are admitted and served for each quarter. The results for Q4 demonstrate a continued decrease in referrals and relatively less of a decrease in the number served.

Social Orientation and Gender Identity (SOGI) Data

BHRS collects SOGI data in five categories at admissions and across the life of a case to inform other levels of government of the needs of all populations. Q4 Sexual Orientation shows six reporting as Bisexual, nine as Lesbian/Gay, and two as Other. Three participants indicated their pronouns are They/Them. These continue to be high counts for both categories.

Correctional Health Services

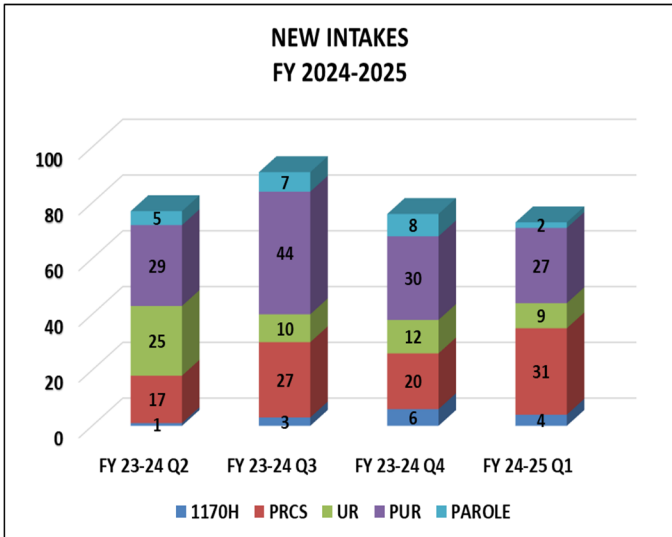

Correctional Health data presents the total participants that flow through Correctional Health by quarter. The counts represent the participants who were screened, medically treated, and referred for mental illness and substance abuse treatment. Due to a staffing change this data is still not available this quarter and will be provided with the next quarter.

Service Connect Cases with PES Counts

A Psychiatric Emergency Services (PES) count is when a Service Connect participant has presented themselves at PES. Those participants that were not admitted are shown as a “visit” and those admitted are shown as “inpatient.” Involvement with PES is only counted if enrolled in Service Connect—counts do not include episodes when subject was not a participant in Service Connect. Q4 showed an increase with 8 PES visits and 2 hospitalizations.

Service Connect HSA Dashboard

FY 24-25, Q1 (July 2024 – September 2024)

New Intakes

- There were 73 intakes in Q1.
- Intakes in Q1 by program type: 48% AB109, 37% Probation UR, 12% UR, and 3% Parole.
- In coordination with Sheriff's Office, 8 virtual intakes were completed in Q1 accounting for 11% of intakes.
- September 2024 was the final month for Parole participant intakes.

Eligibility/Benefits

- There were 23 applications received and processed in Q1: 12 CalFresh, 3 General Assistance, 8 Medi-Cal.
- There were 14 applications approved in Q1: 9 CalFresh, 5 Medi-Cal.
- Denied applications totaled 5: 2 CalFresh, 2 General Assistance, 1 Medi-Cal. Three applications were denied for submitting incomplete verifications, one for failure to provide verifications, and one is active in Alameda County.
- An individual withdrew his applications for CalFresh and General Assistance and will re-apply later.

Employment Services

- In Q1, 58 individuals obtained employment: 550 Jobs! comprised 53% and unsubsidized employment 47%.
- Accommodation & food, services, and retail & wholesale were the top 3 businesses that employed individuals in Q1.
- Average wage per hour for unsubsidized employment was \$22.73.
- Total of 52 individuals received job development services in Q4.

Services Provided

- Transportation and communication were the most requested service in Q1: 106 monthly bus passes, 47 bus tickets, 15 phones, and 25 phone cards were issued serving an average of 97 individuals per month.
- Food assistance was the second most requested service: 487 VRS meals, 58 Safeway gift cards, and 36 food totes were issued serving an average of 47 individuals per month.
- Other services provided were personal supportive items. Individuals were provided with 43 hygiene kits, 42 Target cards, and 5 clothing vouchers serving an average of 26 individuals per month.
- In Q1, there were 28 individuals who utilized the motel voucher program and 10 individuals provided with shelter bed placement.
- There were 13 households referred in Rapid Re-Housing Program in Q1. There were nine enrolled households that entered into housing lease agreement in Q1.

Peer Support Services

- There were 77 individuals who received peer support services in Q1.
- Total support services provided: 76 face-to-face meetings, 59 phone check-ins, 27 transportation, 7 administrative support, 7 provider support, 7 motel visits, 6 warm hand-offs, 6 medical appointments support, 3 probation appointments support, and 2 court appointments support.
- Iron Sharpens Iron support group had 20 participants in 9 meetings and provides a platform to discuss various barriers to successful reentry.
