

PROBATION DEPARTMENT COUNTY OF SAN MATEO

Quarterly Post-Release Community and Mandatory Supervision Update April - June 2024: 47 New Supervisees

*since realignment began in October 2011, there have been 3,126 supervisees.

FY 2023-2024 Fourth Quarter Highlights	
<ul style="list-style-type: none"> 47 new supervisees 29 new PRCS supervisees; 18 new MS supervisees 43% of new supervisees live out of county 15% of new supervisees were transient 	<ul style="list-style-type: none"> 58 revocations were filed 41% of violations were technical violations 54% of terminations were successful

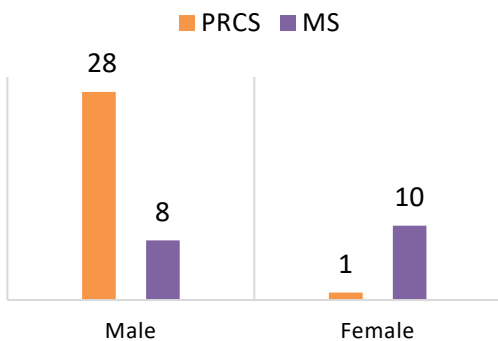

PRCS and MS Released to SMC Supervision

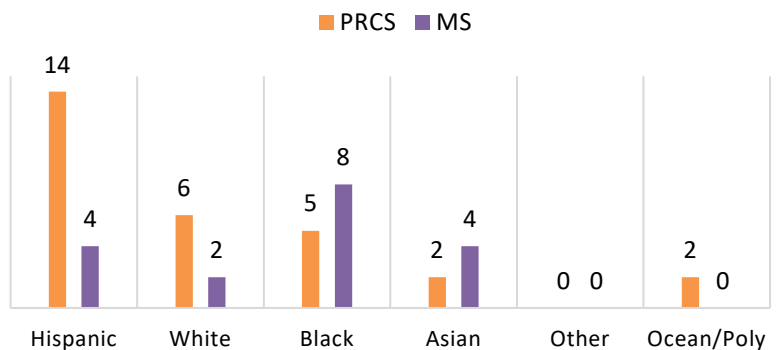

Age

Gender

Race

PRCS			
Burlingame	1	Redwood City	2
Colma	1	San Bruno	2
Daly City	4	San Mateo	2
East Palo Alto	3	South San Francisco	1
Menlo Park	1		
Transient	4	Out of County	8
Total Supervisees	29		

MS			
Daly City	1	Redwood City	2
Transient	3	Out of County	12
Total Supervisees	18		

Terminations, Revocations and Flashes

There were twenty-four (24) terminations during the reporting period. Fifty-four percent (54%) were successful.

Total # of Supervisees Successfully Terminated		Total # of Supervisees Unsuccessfully Terminated	
PRCS – 9	MS – 4	PRCS – 8	MS – 3
<ul style="list-style-type: none"> • Early Terminations: 2 • Normal Terminations: 7 			

In the reporting period, we filed a total of fifty-eight (58) revocations, with PRCS having fifty-five (55) and MS having three (3) revocations. Of the fifty-eight (58) revocations, there were thirty-four (34) New Law Violations. The breakdown by violation category is below:

Violation Type	PRCS	MS	% of Q4 Revocations
Violent Felonies per PC § 667.5(c)	1	0	2%
Serious Felonies per PC § 1192.7(c)	1	0	2%
Other Crimes	30	2	55%
Technical Violations	23	1	41%
Total	55	3	100%

Generally, the population is reoffending by committing crimes similar to those for which they are on Realignment, namely non-serious, non-violent, non-serious sex related crimes.

Fourty-one percent (41%) of revocations were for technical violations. Technical violations of supervision are filed when supervisees abscond or fail to abstain from substance use. It is important to note that the Probation Department usually files formal revocations after lower sanctions have been attempted, including flash incarcerations for PRCS cases. However, at times, officers may decide that a formal revocation is more appropriate than utilizing lower sanctions, depending on the circumstances of the violation. Fifty-nine percent (59%) of revocations filed were for new law violations involving crimes against persons, property, drug/alcohol related crimes as well as other crimes. Of the thirty-four (34) New Law Violations, seventeen (17) were misdemeanors and seventeen (17) were felonies.

There were nine (9) **flash incarcerations** during this reporting period.

Thirteen (13) cases were **transferred** to another county for supervision.

Recidivism Definition

San Mateo County: Arrest and/or Charges Filed within 3 years of Last Incarceration in San Mateo County, including warrant arrests, PTA/Court Sentence but **excludes** PRCS flash incarcerations/Revocation, 647/849B1 (no charges filed) or dropped charges.

Attorney General: An arrest resulting in a charge within three years of an individual's release from incarceration or placement on supervision for a previous criminal conviction.

BSCC: A conviction of a new felony or misdemeanor committed within three years of release from custody or committed within three years of placement on supervision for a previous criminal conviction.

REALIGNMENT BULLETIN CY2024 Q2: APRIL—JUNE

Executive Summary:

Offenses committed by the supervised and in-custody realignment populations in San Mateo County during April through June (Q2) continue to show that this population commits primarily vehicle theft and burglary offenses. However, we also see grand theft, drugs and alcohol, and ID theft in the top categories.

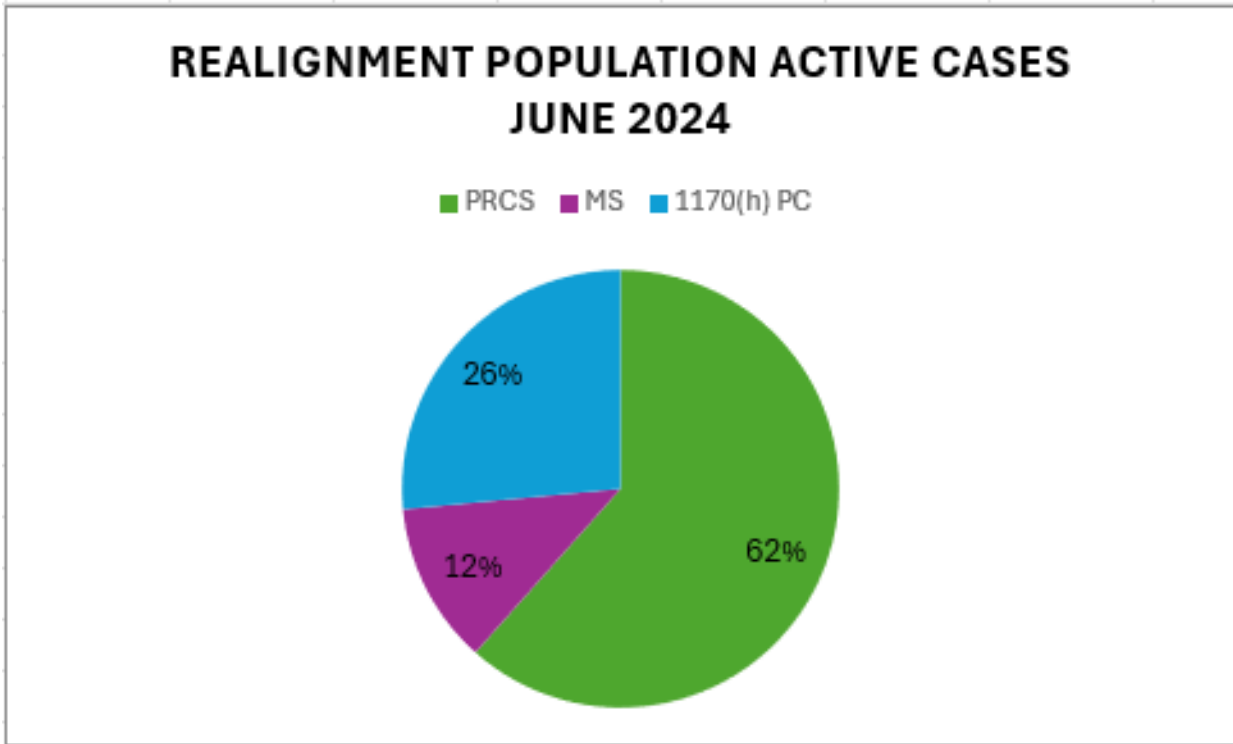

Overview:

During Q2, Vehicle Theft (18%), Burglary (16%), and Grand Theft (13%) were the top committing offenses for the realignment population (this includes the new supervised cases and in-custody realignment offenders). Please note, "miscellaneous" refers to a number of assorted offenses that do not amount to any one category. These offenses include but are not limited to: larceny, forgery, buying or receiving stolen motor vehicle, elder abuse and false imprisonment.

The data used for this analysis was derived from information provided by the San Mateo County Probation Department and the SMCSO Corrections Division.

AB109: San Mateo County

Note: This data was obtained from different sources (Probation and Corrections) and may overlap slightly. However, the preceding analysis provides a general picture of the San Mateo County realignment population.

AB109 In-Custody Statistics

PC1170(h) New Sentenced Cases	Q2 2024	Q1 2024	Q4 2023
Number of new PC1170(h) cases	47	47	56
Total PC1170(h) Days to Serve	18,609	24,505	31,211
Number of Split Sentences	15	14	10
Number of Straight Sentences	32	33	46
Average Length of Stay (ALOS) all cases (after credits applied)	148	150	155
Average Length of Stay (ALOS) Split Sentences (after credits applied)	99	67	137
Average Length of Stay (ALOS) Straight Sentences (after credits applied)	178	175	161

Demographics of the Newly Sentenced PC1170(h) during Q2 CY2024:

Gender:
 Male = 70% (33)
 Female = 30% (14)

Average Age:
 37 years old

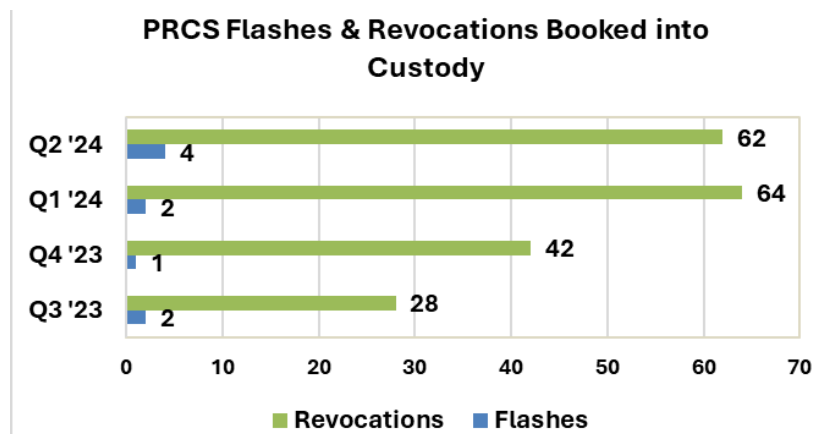

Residency:
 29 - Out of County
 9 - In County
 9 - Transient/Unknown

Mandatory Supervision Revocation

(MSV): Offenders in this population were re-arrested after being released from a PC1170(h) split sentence. Some of these offenders were ordered to serve the remainder of their original sentence and supervision was revoked; others were ordered to serve a portion of their original sentence and were reinstated on mandatory supervision.

MSV Revocation Cases	Q2 2024	Q1 2024	Q4 2023
Number of MSV Cases	2	5	4
Total MSV Days to Serve	343	1,943	366
Average Length of Stay	77	52	23

Number of Parole Revocation Cases	22	21	18
Total Parole Revocation Days to Serve	2,506	1,010	2,913
Average Length of Stay	48	48	52

Post Release Community Supervision (In Custody) Cases	Q2 2024	Q1 2024	Q4 2023
Number of PRCS Revocation Sentences	45	48	41
Total PRCS Revocation Days to Serve	4,946	2,473	5,310
Average Length of Stay	37	50	43

San Mateo County: In Custody (cont'd)

AB109 In-Custody on the Last Day of the Quarter:

On the last day of the quarter (June 30, 2024), the total AB109 in-custody population was 9.87% (102) of the overall average daily population (1,033), a slight decrease from the prior quarter 11.51% (112) with an ADP of 973.

During Q2 CY2024, burglary, drugs and alcohol, and grand theft comprised the top new charges committed by the in-custody population. Please note that the category "Other Property Crimes" refers to offenses such as elder theft, receiving stolen property, embezzlement, forgery, and larceny. "Miscellaneous" refers to a number of assorted offenses that do not amount to any one category. These offenses include but are not limited to: evading, false imprisonment, stalking, and arson.

FISCAL YEAR 2023-24 SECOND QUARTER
SUMMARY REPORT NARRATIVE

SAN MATEO COUNTY HEALTH

BEHAVIORAL HEALTH & RECOVERY SERVICES

Please Note: The BHRS Service Connect Dashboard is presented one quarter in arrears to present accurate data because submission deadlines are too soon after the quarter close.

AT-A-GLANCE: All Time Total BHRS Referred, Served, Number of Services, or Booking Encounter

The total number of participants referred to BHRS for treatment since July 1, 2017, is 3,269 (increase of 36 during Q3) and of these, 1,917 (increase of 20 during Q3) entered treatment and/or recovery plans (participants served by BHRS and is a lower number because not all assessments result in treatment). Referred is defined as participants showing up for the first post-referral appointment and does not include those referred, but who did not follow through on the referral. This also represents the total number of services, 27,053 (both mental health and substance use treatment) provided to participants since the inception of the program.

Open Service Connect Cases with a Service

This graph represents total Service Connect participants that received at least one BHRS service. The numbers do include participants that continued from quarter to quarter, so a participant could be counted more than once in each quarter if their case was open across multiple fiscal quarters. The Q3 count is 117, which is up since last quarter and consistent with the quantity of Service Connect clients as compared to previous quarters.

Engaged Participants with Four or More Services in a Year

“Engaged” is defined as a participant receiving four or more services, meaning the participant has returned to BHRS for multiple appointments for different services, demonstrating the participant is engaged because they actively participate. Engagement is down 4% compared to last quarter with a trend of declining engagement.

Percent of Participants with Substance Abuse Recovery Plan or a Mental Health Treatment Plan

This graph presents the percentage of participants who had a mental health treatment plan or a substance abuse recovery plan. Recovery plans are typically at a rate of two to one as compared to a mental health treatment plan. However, this quarter AOD treatment plans continue to be high, which represents a significant trend.

Living Situation Upon Program Admission and Discharge

This graph shows the living situations of participants at the time the participant was admitted to the program and then the living situation when discharged from the program. The purpose of

this measure is to monitor the service impact on improvement of the living situation of the participant. Q3 shows upon admission 14 participants were unhoused, but upon discharge from Service Connect that all participants in this reporting period were homeless upon discharge, which is very discouraging.

Total Individuals Referred to Service Connect and Total Admitted for Services

Not all individuals referred to the program meet the assessment criteria for admission to the program, so this graph measures the difference between the number of persons referred and the number that are admitted and served for each quarter. The results for Q3 demonstrate a decrease in referrals and in the number served, and still low overall.

Social Orientation and Gender Identity (SOGI) Data

BHRS collects SOGI data in five categories at admissions and across the life of a case to inform other levels of government of the needs of all populations. Q3 indicates a change in Sexual Orientation with 8 reporting as Bisexual, 8 as Lesbian/Gay, and 2 as other. 3 participants indicated their pronouns are They/Them. These are the highest counts ever for both categories.

Correctional Health Services

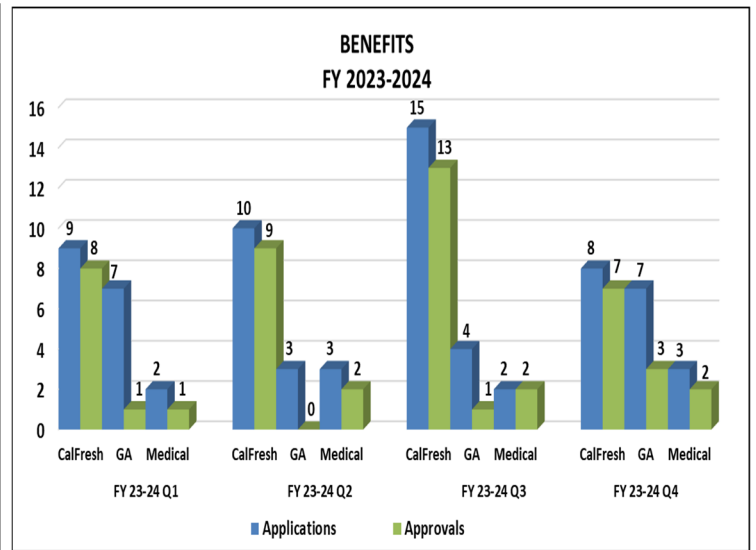

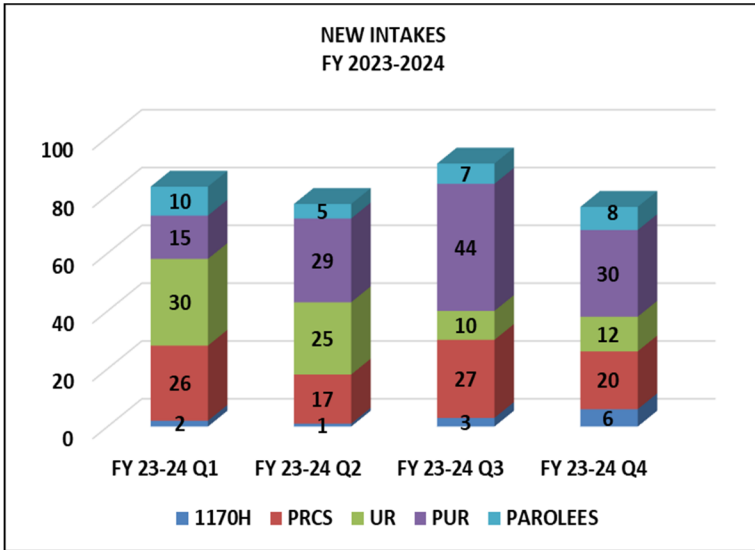

Correctional Health data presents the total participants that flow through Correctional Health by quarter. The counts represent the participants who were screened, medically treated, and referred for mental illness and substance abuse treatment. Due to a staffing change this data is not available this quarter and will be provided with the next quarter.

Service Connect Cases with PES Counts

A Psychiatric Emergency Services (PES) count is when a Service Connect participant has presented themselves at PES. Those participants that were not admitted are shown as a “visit” and those admitted are shown as “inpatient.” Involvement with PES is only counted if enrolled in Service Connect—counts do not include episodes when subject was not a participant in Service Connect. Q3 was an outstanding quarter with only 4 PES visits and 1 hospitalizations.

FY 23-24, Q4(April 2024 – June 2024)

New Intakes

- There were 76 intakes in Q4.
- Intakes in Q4 by program type: 39% Probation UR, 34% AB109, 16% UR, 11% Parolees.
- In coordination with Sheriff's Office, 3 virtual intakes were completed in Q4 accounting for 4% of intakes.

Eligibility/Benefits

- There were 18 applications received and processed in Q4: 8 CalFresh, 7 General Assistance, 3 Medi-Cal.
- There were 12 applications approved in Q4: 7 CalFresh, 3 General Assistance, 2 Medi-Cal.
- Denied applications totaled 7: 1 CalFresh, 5 General Assistance, 1 Medi-Cal. Six applications were denied due to failure to provide verifications. One was active in San Francisco.
- There was no application withdrawn in Q4.

Employment Services

- In Q4, 64 individuals obtained employment: 550 Jobs! comprised 53% and unsubsidized employment 47%.
- Services, retail, hotel & food, and construction were the top 4 businesses that employed individuals in Q4.
- Average wage per hour for unsubsidized employment was \$22.18.
- Total of 55 individuals received job development services in Q4.

Services Provided

- Food assistance was the most requested service in Q4: 553 meal vouchers, 74 Safeway cards, 47 food totes were issued serving an average of 58 individuals per month.
- Transportation and communication were the second most requested service: 116 monthly bus passes, 55 bus tickets, 23 phones, and 28 phone cards were issued serving an average of 57 individuals per month.
- Other services provided were personal supportive items. Individuals were provided with 52 hygiene kits, 51 Target cards and 14 clothing vouchers.
- In Q4, there were 25 individuals who utilized the motel voucher program and 9 individuals provided with shelter bed placement.
- There were 7 households referred and enrolled under the Rapid Re-housing services delivered by Abode Services in Q4. Average number of days from program enrollment to housing is 23 days.

Peer Support Services

- There were 77 individuals who received peer support services in Q4.
- Total support services provided: 133 face-to-face meetings, 29 transportation, 20 administrative support, 15 phone check-ins, 14 provider support, 7 warm hand-off, 4 motel visits, 3 court appointments support, and 3 medical support.
- Iron Sharpens Iron support group had 40 participants over 9 meetings and provides a platform to discuss various barriers to successful reentry.
