DATE: August 4, 2011
TO: All Community Corrections Partnership Members
SUBJECT: Partnership Facilitator

A handwritten signature in black ink, reading "Stuart J. Forrest", is written over a horizontal line.

I first want to express my gratitude for your participation and positive spirit during our first Community Corrections Partnership meeting on August 3rd. I am more confident than ever that we will be well prepared to provide the necessary supervision and supports for our "post-release community supervision" population.

Because our meeting ran overtime, we were not able to complete our agenda, and as a result, I was not able to announce my selection of a facilitator, Mr. Ken Pessa, to assist the partnership, and me, in guiding meetings, processing tasks required by the partnership and its executive committee, supporting the "local plan" process, performing necessary research through other organizations including: the "California State Association of Counties", "Chief Probation Officers of California" and "California State Association of Counties".

As many of you know, Mr. Ken Pessa, retired as the Assistant Chief Probation Officer of San Mateo County. His familiarity with the realignment legislation, experience with the law enforcement, judicial and human services partners, plus his commitment to our "spirit of collaboration" made him the perfect choice for this role. I am confident that his participation can only make our results much stronger.
